

The List Of Best NBA Players Right Now

NBA fans are eagerly anticipating the start of the regular season as the 2022–2023 preseason officially begins. Some of the world's most gifted athletes can be found in the National Basketball Association (NBA). Millions of fans from around the world watch the league because of its furious and thrilling style of play. So who are the **best NBA players right now**? In this article, we'll look at the top athletes now dominating the league.

List of best NBA players right now

LeBron James

The King will turn 38 this year, yet he's still regarded as one of the **best NBA players right now**. In addition to being awarded the league's Most Valuable Player (MVP) four times, James has won four NBA titles. He is a multi-positional player who is renowned for his exceptional athleticism, scoring ability, and game sense.

Stephen Curry

After winning the NBA championship, Stephen Curry and the Golden State Warriors had to wait a very long time for the 2021-2022 season. During the season, Curry broke a number of records. Last year, the Warriors' star received the first MVP award for the NBA Finals.

Curry has already begun the title-defending campaign and is averaging 29.4 PPG. On January 11, he participated in the loss against the Phoenix Suns after recovering from a shoulder injury. Curry missed the last two games for the Warriors due to an injury that has plagued him all season.

Kevin Durant

The entire league is waiting to see where Kevin Durant or The Slim Reaper goes as he once again demanded a trade as he is one of the **best NBA players right now**. Whatever team he plays for in 2022–2023 immediately becomes a contender. The most effective offensive player of all time, Durant can fit in anywhere. Although he has experienced some health concerns as he gets older, his on-court performance is still flawless.

Kawhi Leonard

Kawhi Leonard has won two NBA championships and has received the Finals MVP award. He is renowned for his lock-down defense and is a dominant two-way player who can score from anywhere on the court. Throughout his career, Leonard has made a number of game-winning shots, making him one of the **best NBA players right now**.

James Harden

One of the NBA's most prolific scorers in history is James Harden. He has received three scoring championships and one league MVP award. Harden is renowned for his remarkable scoring abilities, superb ball-handling skills, and capacity for drawing fouls. He is also an excellent distributor and has previously ranked first in the league in assists.

Nikola Jokic

One of the fastest and **best NBA players right now**, Nikola Jokic is a skilled player who can play many positions. In 2021, he took home the NBA MVP trophy and led the Denver Nuggets to the postseason. Along with being a fantastic rebounder and scorer, Jokic is renowned for having a high basketball IQ.

Luka Doncic

The NBA's rising sensation Luka Doncic is already regarded as one of the greatest players in the competition. He is a versatile player who is a brilliant scorer, passer, and rebounder. Doncic is famous for his clutch plays and his ability to score goals in the last seconds.

Joel Embiid

The NBA includes some of the top big players, and Joel Embiid has twice been selected for the All-NBA squad. Embiid was a finalist for the Kia MVP award last year. He can play outstanding defense in addition to being a powerful scorer and rebounder. As compared to other players his physique, Embiid is best known for his exceptional footwork and quickness.
