

HOW TO WEAR MAANG TIKKA

7 ways to style it

Wear it with a puff hairstyle

For beginners, it is perfect. Start with placing your maang tikka on the centre of your forehead. Then place your puff over the maang tikka. After that carefully take your hair over the puff and secure it with pins. Now you can wear your hair down or you can also make a bun.

Open hair with maang tikka

If you like to keep your hair open then this style is for you. First, brush your hair and detangle it, then you can curl it or leave it if you want your natural hair. Then take a section of hair from the front part of your head and divide it into two parts. Take your maang tikka and place it in the centre part of your head. Take a bobby pin and secure it from the end.

Low bun with maang tikka

Maang tikka is a piece of jewellery that beautifies your forehead. Women prefer a beautifully messy bun to carry for any wedding event and styling it with a maang tikka looks gorgeous. After placing your maang tikka on the middle of your forehead securely make a bun and add some flowers to your bun. It will give you look an elegant touch.

Maang tikka in NAWABI way

You may have seen this style in Mughal films. You just have to make a side part hairstyle and place your maang tikka on the side of your head. It gives you a regal look for the evening.

Style maang tikka with braids

Want to carry that glamorous hairdo with maang tikka here we are. It is perfect to style your maang tikka with braids. For those who have long hair, it is perfect for them. Remember Aishwarya from Hum Dil De Chuke Sanam she was looking stunning with that hairdo. You can add some jasmine flowers to your braids that will look very beautiful.

Flower maang tikka

Nowadays brides prefer to style a set of flower jewellery for their haldi. The bridesmaids and other women also style it. Flower maang tikka looks very beautiful for the day event of Haldi.

Maang tikka with a pony

A trending look with a maang tikka is a ponytail. Messy ponytails with maang tikka will glam up your look for any event. You just need to pull your hair up and make it in a ponytail, then very carefully place maang tikka on your forehead. After that, leave some loose strands for a more stylish look.
