MEDICAL CENTRE IN ABU DHABI

ABOUT US

Al Hendawy Medical Center is a medical center dedicated to offering everyone in need of our medical skills cutting-edge, precise, and reasonably priced medical care. It was founded in 2005 by renowned Egyptian pediatric consultant Dr. Ali Hendawy. At Al Hendawy, we apply our extensive academic training to provide the community with individualized, evidence-based healthcare services. Our group of skilled physicians, certified nurses, and paramedical personnel ensures that patients receive complete care with clinical accuracy, compassion, and the safest environment possible. Together, we all strive to give you the best possible care and comfort.
