## ABOUT US

Among the esteemed crane rental companies in the United Arab Emirates is BOBB HEAVY EQUIPMENT RENTAL LLC. We have unrivaled experience in technology, equipment, and safety thanks to our customer-focused approach and unwavering pursuit of world-class quality. We are also well regarded authorities in all of our significant lifting projects. Our companies are all extremely professional and adhere to strict corporate governance guidelines. We have included sustainability into our long-term growth plan.

LIFTING YOUR EXPECTATIONS

## OUR FLEET

- Cranes
- Aerial Platforms
- Telehandler
- Fork Lifts
- Low Bed and Trailers
- Mini/Spider Crane
- MINI/SPIDER Skidding, Jacking & Sliding Systems
- Fleet Maintenance

## DUBAI CRANES

In the UAE, BOB CRANES has one of the broadest and most varied selections of crawler and mobile cranes. In addition to providing the best customer service, lift design, and crane operation standards in the business, we can offer the most integrated solutions out there thanks to our well-maintained machinery, which can be used as a single unit on a one-off lift or as part of a multi-unit contract project.
