Please find below the admission criteria at TSWY.

- Nanhe Kadam : 2 + yrs (Pre Nursery)

Nursery is suitable for starting informal & formal learning experiences that generates a positive foundation for preschool. This level is for children to interact with more people other than their parents. Here the child is prepared to work 1 on 1 with an instructor for the first time. The children are introduced to a more structured day with interesting activities, group interactions etc. The curriculum and activities included in this level are specifically designed to help the child build social, emotional, linguistic, cognitive and physical skills. Here the child is also encouraged to learn new skills, grow and discover as per his/her developmental milestone.
