Restaurants Made Simple

WORKFORCE MANAGEMENT

Maximize employee time and attendance while simplifying payroll procedures with state-of-the-art features including in-app geolocation-based employee attendance, automatic break notifications, comprehensive payroll summaries, real-time schedule, and shift alterations, leave request facilitation, adept staff management, manager requests, and more. Harness the power of technology to effectively manage your most valuable asset, your workforce.

| Time Tracking Alerts | Payroll | GPS Tracking | Scheduling | Employee Management | Break Notifications |

FEATURES

SCHEDULING
Eliminate mundane, manual scheduling with our comprehensive workforce management calendar. Perfectly craft, execute and approve shift schedules, time-off requests and vacation requests with ease.

EMPLOYEE MANAGEMENT
Easily access and manage employee data including profiles, payroll information, shift data, birthdays, anniversaries and more. Automatically set employee status and time-off allowances.

PAYROLL
Organize and export payroll information to various repositories with ease. Our product offers in-app unparalleled payroll management, as well as streamlined summaries that can be exported directly to Excel or CSV formats with API integration connects to any 3rd party payroll software.

GPS TRACKING
Streamline your payroll operations with a cutting-edge smartphone app. Accurately track employee clock in, clock out, and break times with GPS capabilities. Moreover, enable employees to easily manage their schedules, apply for leave, and access a comprehensive payroll summary with the tap of a button.

TIME TRACKING ALERTS
Monitor employee attendance in real-time—never miss a beat. Receive instant alerts when staff don't take mandatory breaks, clock out late or spend too much time on the job. Let us help you keep a keen eye on your team's hours.

Revamp your workforce management with ease. Track employee hours, clock-ins and outs, payroll, and more—viewable via reports accessible from any device, anytime, anywhere.
