Core CBA Components

Every Application Requires:

**Employment History – Chronological Work Experience
from Graduation to Present**

**Validators (4+) – References Covering a Minimum of Four
Years of Experience**

**Competency Self-Assessment – Examples
Demonstrating Achievement of Key Competencies**

Employment History Requirements

Your Employment History must Demonstrate Engineering Competence and Progression:

Chronological Order from Graduation Onwards
Include Pre-graduation and Post-graduation Experience
Document Employment Gaps with Non-Engineering Work
Provide clear Job Titles, Dates, and Responsibilities
Demonstrate Progressive Responsibility and Technical Growth

Key Insight: Gaps in Employment are Acceptable;
Transparency is Essential. Document all work, including
Non-Engineering Roles.
